PHILO THE PHILOSOPHIAN LITERARY SOCIETY

The Philosophian Literary Society is proud to be part of McKendree's tradition. Founded in 1837, Philo has shared this proud heritage for 141 of McKendree's 150 years. Philo is a varied group of individuals brought together by many of the same elements which have been a part of McKendree's past. Philo is proud of it's past and strives to carry on it's traditions as well as serving the present. While Philo places a great emphasis on the brotherhood which grows in a closed group, they see this brotherhood not as the groupness of a closed group, but the closeness of an open group.

PHI RHO CHI

Ferox is a social service fraternity that was founded in 1963. The "Green Machine" was very active in school affairs this year. We have been involved in intermurals and in over-all competition this year Ferox has again ranked first among fraternities. This tradition has continued for the past 15 years. One of the most important factors is that Ferox does not end after college. We have an alumni association which is strong with brotherhood. Our assets are strong unity and a drive for brotherhood that keeps the men of our fraternity together.

Dr. Kovac, Sam Burgess, John Cook, Jeff Whitaker, Jeff Angle, Dale Schickendary, Tim Triggs, Gene Earl, Eric Stevenson.

A few of the actives rising to the top.

The alumni posing for their annual picture after the alumni football game last fall.

Here the activities are arm in arm singing the fraternity song at the alumni party.
